

coming. It was disclosed that he would be given a three-year contract in his present position.

Robin Reports On Women's Sports

By Robin Goodlander

Although the WRA Eagles stuffed a strenuous on-the-go twenty-four hour in a twenty-four hour period, at the U. K. playday, they still arrived with a successful, if-flashed grin that completely over-shadowed the "give me sleep" look. It seems as if the secret to their stationary grin was the fact that they conquered the Eastern Maroon team in a basketball game by the score of 30-25. This same team gave Morehead five a seven point dose of defeat about a month earlier, which left a nasty taste in the mouths of the Eagles, and even though our squad later lost to U. K. in two games by three points in each case, the general opinion is that this is the best all-around play day most of them have attended, since enrolling at MSC.

Morehead again showed its athletic ability by stomping the Georgetown girls in volleyball, and three members, Georgia Mullins, Pat Johnson, and Betty Lou Johnson scored high in bowling. Do Walter and Lucille Mayhall consolidated their talents and as a reward, came out with a victory in badminton.

As for the basketball scores with Eastern, the Kari-ter twins came through again with Nan throwing in 22 points, and Ann making two. Bobbie Dameron completed the 28 point spree with four.

Portell, Portell, Portell?? After forfeiting several of the

intramural basketball and volleyball games, it was decided by the team to forfeit the entire intramural program for the rest of the year. Two main factors are responsible for the "give me sleep" look. One is the fact that the program, and that is participation and co-operation. The club has some of both, but not enough to fill the bucket. There is plenty of material and ability in the organization, and an excellent leader, Miss Aveni, but until all of these: Participation, co-operation, material, ability, and leadership are pooled together, we will not be able to produce a first rate Women's Recreational Association, which our college is capable of producing.

So, come on girls—"Live it up" or should I say "Live it up."

We're Off?? At or at least we will be, come April the 3rd. This is when the WRA members will journey to Berea for another playday. This will be the third playday that the club has participated in this year, as compared to one at this time last year.

Edwin T. Case '41 Edwin T. Case, Bountiful, Utah, is principal of Adelaide School there. He received an A.B. in history and French; he has about 100 quarter hours at the University of Utah. Since graduation he has taught in Logan, W. Va., and served in the U.S. Army. He and his wife, the former Dorothy Sessions, have four children.

Western-Morehead OVC game action. Left to right: No. 12, Gaunce, MSC; No. 41, Tom Marshall; No. 28, Jack Tarnum; No. 5, Don Whitehouse, MSC; No. 88, Al Spohn; No. 17, Lynn Cole; and on the far right, Dan Swartz, MSC. Western defeated Morehead in this encounter 97 to 79. Score at final half 44-42 with Western leading.

Eagles Post 15 Wins, 7 Losses In Great Basketball Season

Swartz Breaks Tourney Records; Makes All-OVC

By Jack Carey

The Morehead Eagles basketball team has just finished one of its most outstanding seasons in many years. Winning 15 games, the Eagles lost only seven games, including the loss to the Quantico Marines. In this game, Paul Arizin, former pro star and All-American for Villanova, dumped in 44 points to overshadow Don Swartz's sterling production of 25. Though they were defeated 95-81, the Blue and Gold had no cause for regret. Quantico has lost only two games this season—to Duquesne and the Philadelphia Warriors. The aggregation of All-Americans, pros, and college stars had possibly the greatest team ever assembled on the college floor.

Split In OVC Tournament

In the OVC tournament, the Eagles look off with a flying start by defeating the Tennessee Tech Golden Eagles 92 to 56. During this game Don Swartz broke three individual scoring records and the team itself tied the scoring record for a single game in an OVC tournament—82 points. The team record lasted only one night, Western tossing against the Eagles the following night, 97-79.

Swartz's record 39 points broke Garrett Beshara's 37, scored in the finals three years ago. The Murray hotshot also had his record 12 field goals in one game outdone by Swartz's 13. Dangerous Dan also took over Beshara's record for free throws attempted with 19, and surpassed the old mark of free throws made with 13.

The Western Hilltoppers topped Morehead in the semi-finals, but the game was well played all the way. Behind only two points at the half and three-quarter mark, the Eagles fell apart in the final four minutes, sinking by 18 points.

Swartz automatically making the All-OVC team in his initial appearance, made 25 points before fouling out in the fourth quarter. Donnie Gaunce also played exceptionally brilliant ball during the Eagles' tournament bid, chalking up 35 points in the two games.

Although this past season was good, next year promises to be even better. Coach Laughlin proudly points out that several bright prospects appeared in the freshman class this year, and more dependable material is expected next year.

Finishing their basketball careers at Morehead this year are Dave Harris and Buddy Giffin, whose clutch performances were of invaluable aid in the Eagles' success.

Finally, some words of praise should go to Linda Castle, who led the Big Blue through countless crises on the hardwood. Ineligible at the end of the first semester, Castle, all-OVC last year, was personally responsible for the Eagles' success in winning several close games. His cool generalship, along with Whitehouse was a joy to watch and will be hard to replace.

Individual Scoring for the Season

(Not including OVC tourney)

Games	PG	FT	TP	Pts
Mayab	21	118	77	310

Weather Slows Spring Practice Squad Totals 26

Spring football practice got off to a roaring start, only to be temporarily cooled off by the forces of nature. Driving snow and wind kept the football Eagles indoors last week, but Coach Jamerson called occasional indoor calisthenics and skill practices to keep the squad in trim. Through last week, Jamerson was well pleased with the team's progress, mentioning particularly the last two seasons in which the griders had "excellent" work habits. He further stated that if the rest of the practice periods are as satisfactory as those two, he will be more than pleased with spring practice.

The squad at present includes 26 boys, 23 of whom are on scholarship. These are Lawrence Adams, Sonny Adkins, Billy Adkins, Harold Barker, Bob Day, Wallace Browne, Felix, Jim Giese, Ronald Hart, Jimmy Hicks, Erskine Jenkins, Bob McJames, James McGinnis, Don McKenzie, Eugene Motley, Harold Rose, Roy Walton, Eugene Thomas, Ed "Tom" Giese, Wells, Morris Wright, Ronald Scott, Johnny King, Larry Looey, Louie Conners, and Paul Lynch.

The three who are playing without scholarship are Charles Butler, Glenn Powell, and "Batterball" Press.

Parrell Martindale '34 Parrell Martindale '34, Morehead received his A.B. degree in economics and sociology. He is now owner of Martindale Furniture Co. in Morehead.

Intramural League Advances By Only Three Contests

Slowed by other pre-arranged campus activities during the last two weeks, the Intramural League has advanced only three games. Those were none-the-less exciting, because they saw the undefeated Rustlers knock the Sandhogs from the all-star lineup list. The Campus Club retains first place tie because of aces.

The originally scheduled games will be made up on Thursday nights, says Coach Frewitt, because there are fewer conflicts since the varsity basketball season is over. The top four teams at the end of the season will participate in a playoff to determine the winner.
